

Girls who **BUILD** with blocks and Lego ...

... become women who are **architects, builders and engineers.**

Girls who PLAY with trucks, trains and tractors ...

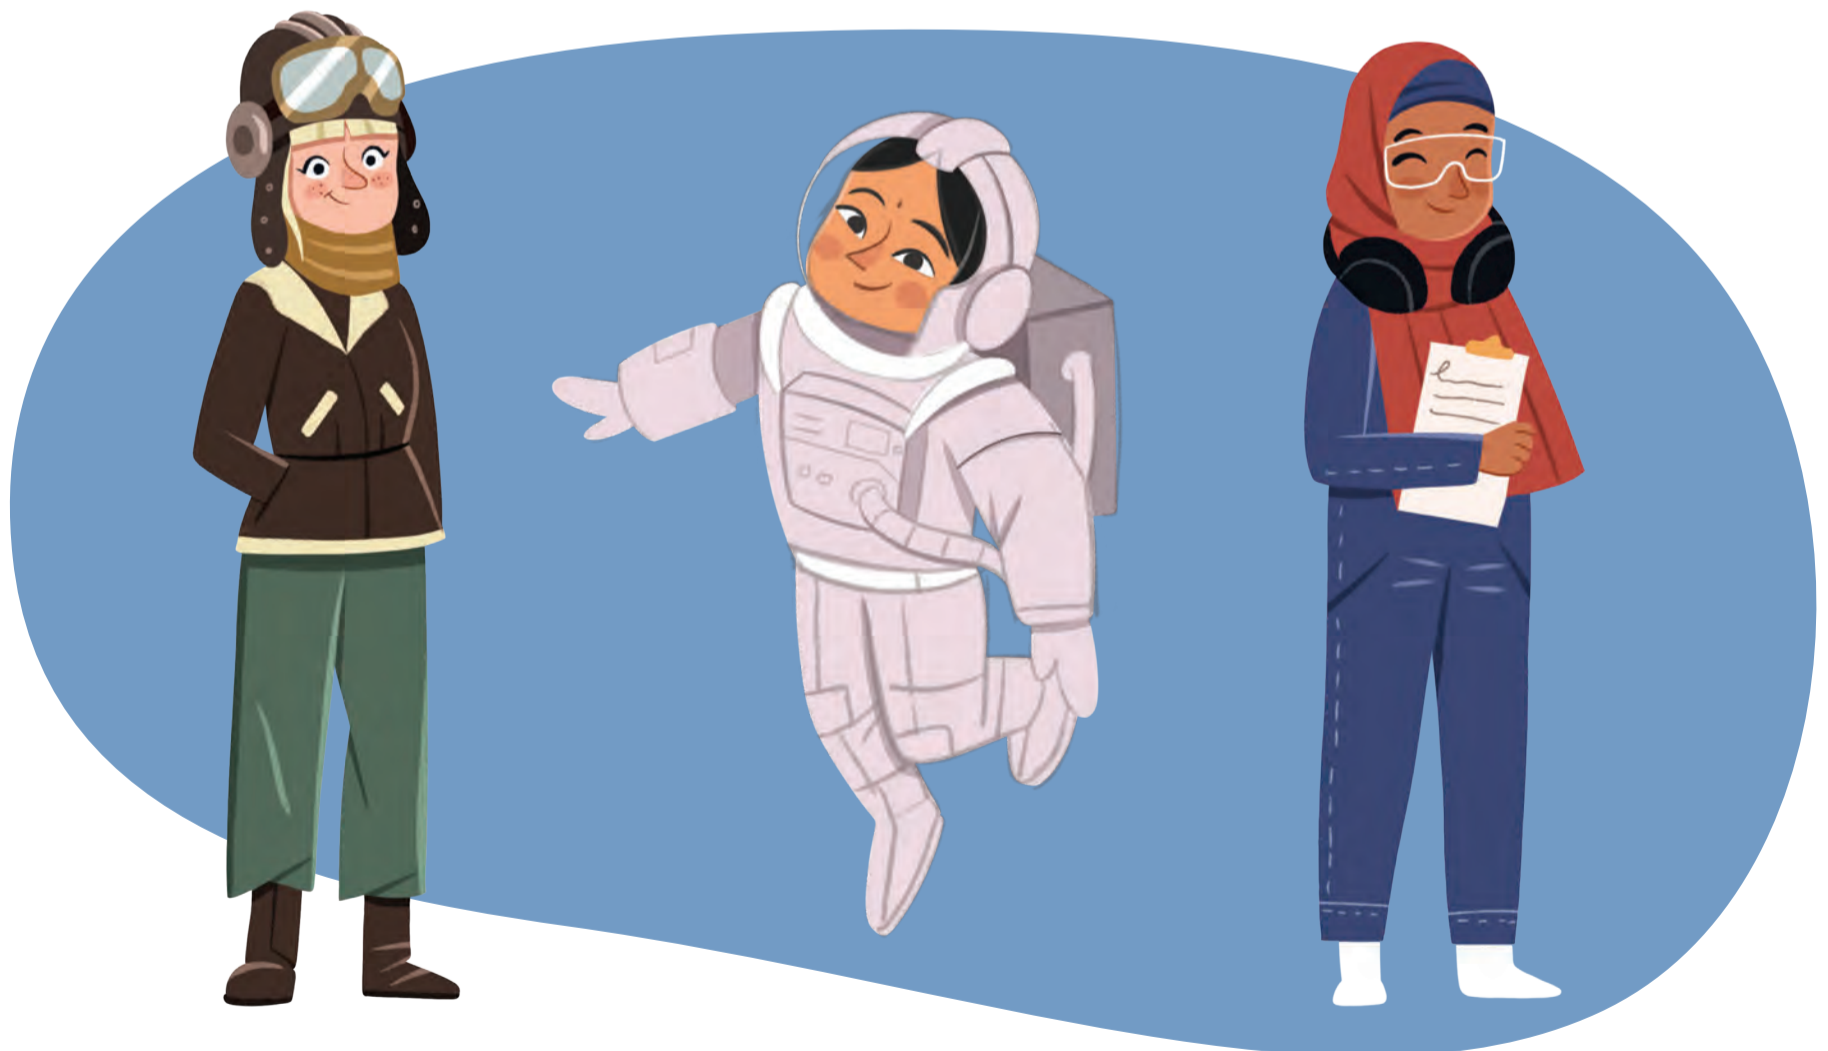

... become women who are mechanics,
train drivers and farmers.

Girls who DESIGN and MAKE model aeroplanes ...

... become women who are pilots, astronauts and aerospace engineers.

Girls who are given the opportunity to PURSUE science ...

... become women who are geologists, epidemiologists and pharmacists.

Girls who PARTICIPATE in sport ...

**... become women who are professional
runners, footballers, and surfers.**

Girls who are ACTIVE in the environment ...

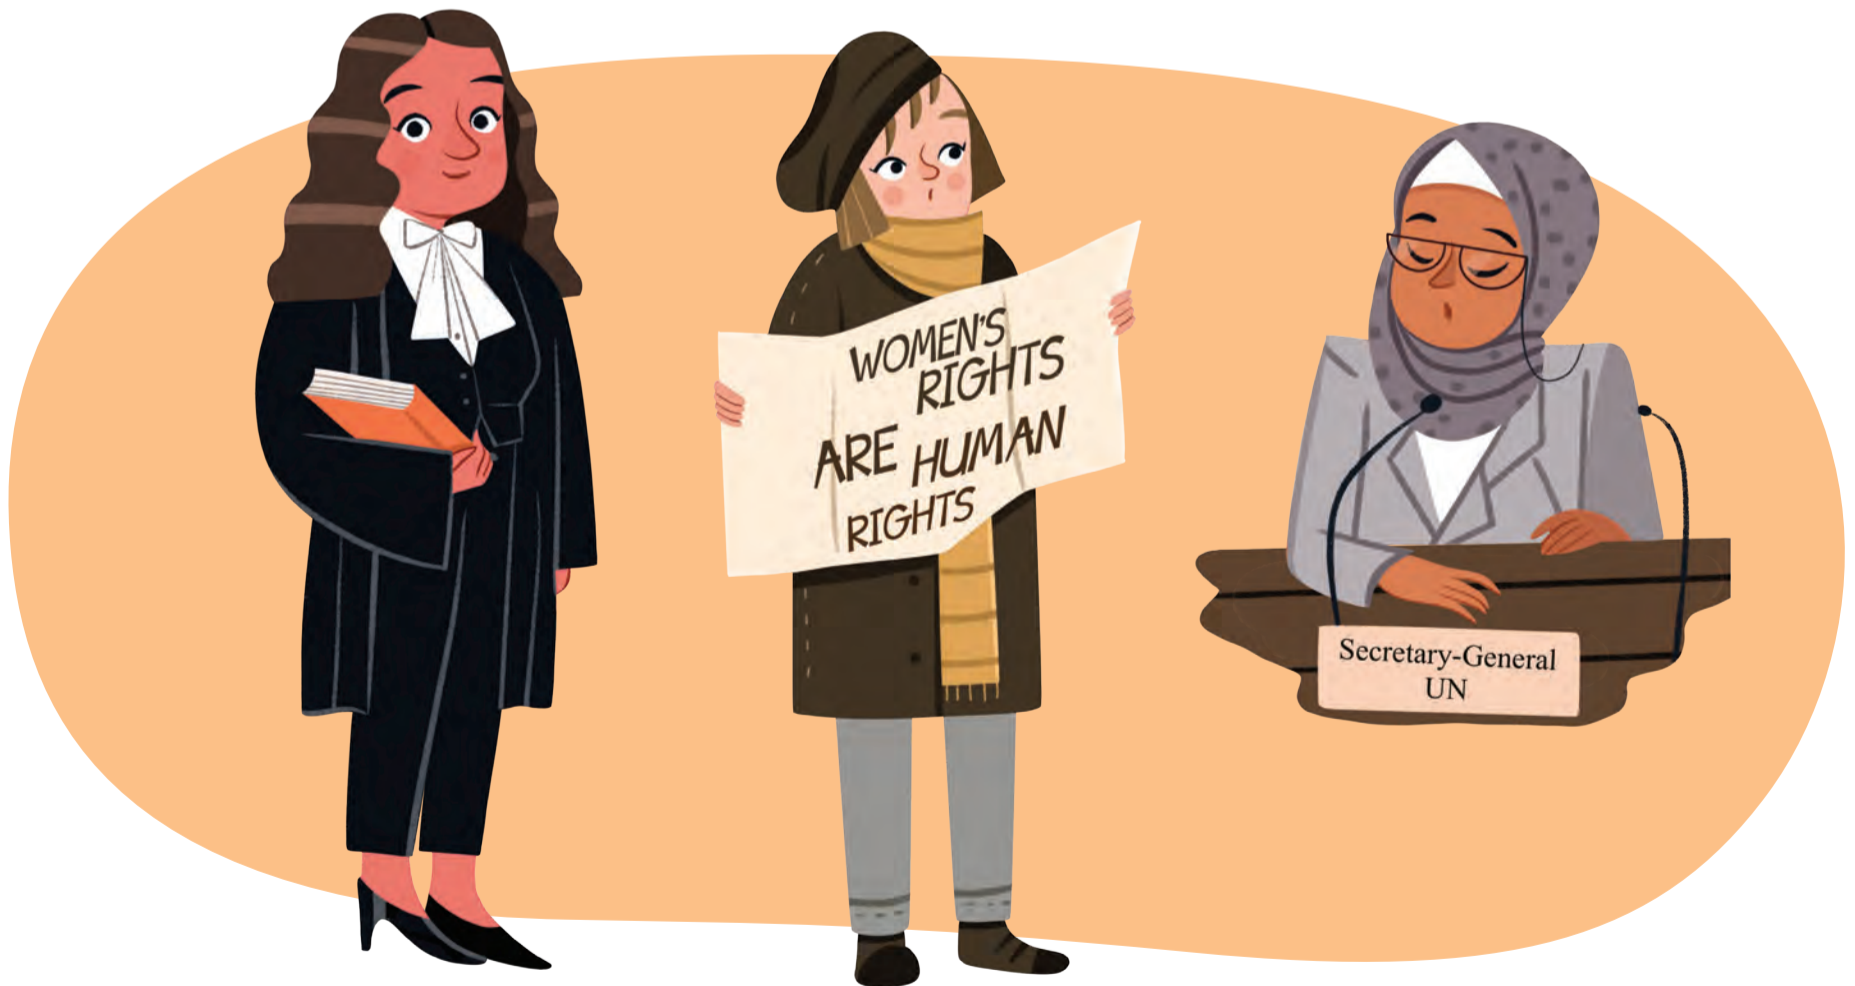

... become women who are marine biologists, environmental scientists and park rangers.

Girls who VOICE their opinions and are given opportunities to LEAD ...

... become the changemakers and leaders this world needs.

Girls who can be THEMSELVES ...

... become the women they were
always meant to be.

Women can choose to be WHOEVER they want to be!
