Stevie was feeling sad. As I am **empathetic** and **creative**, I felt **inspired** to draw a funny monster to cheer Stevie up. I was so **enthusiastic** that as I was drawing, I made a mistake. But I am **resilient**, so I kept **composed** and turned the smudge into a silly hat for the monster! Fixing it myself made me feel **empowered**.

When I gave the Stevie the drawing, Stevie started laughing. I was **ecstatic** to see Stevie smile! It was a **thoughtful** thing for me to do. Having a friend like Stevie makes me feel so **grateful** and **content**.
